U. S. HEARS REPORT NEW BLOCKADE ORDERED

(Associated Press by Federal Wireless)
WASHINGTON, D. C., Sept. 16.—Serious concern is manifested here over reports that Great Britain has declared a blockade of shipments from the United States to neutral countries of Europe.

Secretary of State Lansing has called Ambassador Walter H. Page in London instructing him to confirm, if it is true, published reports that England's latest blockade order is against shipments from the United States to Holland and Scandinavian countries and to explain its scope and its probable effect upon American commerce.

Consul-General Skinner of London today cabled that the "blacklist" order has been modified to permit British marine insurance companies to underwrite insurance for the property of "blacklisted" United States concerns. This does not apply to the Philippines or Porto Rican companies. Officials are doubtful whether the order restraining American commerce with Scandinavia and Holland is already covered by letters of assurance through the operation of the Netherlands Overseas Trust. This trust has guaranteed the delivery of goods to neutrals.

British embassy officials say that the order is not thus covered. The only official information so far is that from Consul Skinner to Secretary Lansing, which says "Presumed American goods already covered by letters assurances not stopped."

BLUE OF HEALANI WAVES IN VICTORY ON HARBOR WATERS

Race After Race Won By Club Which Surprises Critics By Speed of Its Oarsmen; Myrtle, Hilo and Honolulu Fight to Finish But Fail; Novelty Races are Features

SCORE BY POINTS	
Healani Yacht & Boat Club	35
Myrtle Boat Club	32
Honolulu Yacht & Boat Club	3
Hilo Yacht Club	1

For the fourth time in as many years the Healani Yacht & Boat Club ran away with the main annual Regatta Day events. The Blues won both the senior and freshmen races in the 20th annual regatta on the harbor this morning.

Both of the Healani crews finished strong. The freshmen excelled themselves by not only winning from their two competitors by 25 lengths, but beating the senior's time by 2 1-5 seconds. In the senior race Healani won in 11 minutes 50 3-5 seconds, crossing the line more than a boat-length ahead of the Myrtle Boat Club, which took second place. Hilo was third and Honolulu fourth. Hilo fought as gamely as any crew ever seen here but could not muster the speed. Hilo was two lengths behind the Myrtles and the Honolulu two lengths back of the lads from the Crescent City.

The first boat on the scene was that of the Myrtle Club and was closely followed by the Honolulu aggregation and after a wait of 15 minutes the Honolulu Club crew, who had some thing the matter with their boat, and the Hilo crew rowed up to the starting line. The four crews lined up at 9:50, and from the judges' stand were in the following order: Hilo, Myrtle, Honolulu and Healani. They started in these positions. Big Crowds See Races

HAWN. PINEAPPLE SELLS KOOLAU TO LIBBY, McNEILL

Windward Oahu Interests Purchased Yesterday By Rapidly Expanding Concern

The Koolau Fruit Company, Ltd., was sold yesterday to Libby, McNeill & Libby of Honolulu. With this important transaction further confirmation is given the news published weeks ago in the Star-Bulletin that the Libby concern, which is the local branch of the big mainland firm, is expanding rapidly by the acquisition of other interests.

James D. Doie, president and manager of the Hawaiian Pineapple Company, Ltd., this morning authorized the Star-Bulletin to announce the Koolau sale, confirming reports which have been vaguely going the rounds in business circles. The Hawaiian Pineapple Company owns the Koolau company.

With the sale the Hawaiian Pineapple Company closes out its interests on windward Oahu and concentrates energy and enterprise on its other interests. The sale includes all the property of the fruit company. The fruit has been handled by the Libby firm under an old contract. No announcement is made of the figure at which the transaction was made.
